Volunteer Spotlight

Tracking events require many volunteers to be successful, and we treasure each one. Many volunteers help year after year, and we thank them all. This year we want to shine a spotlight on three volunteers that have fulfilled the same role for the tracking tests for the past several years. They are Martha Ho, Mary Palumbo, and Thalia Rott.

Martha and Thalia have been co-Chief Tracklayers for several years. They have pulled together and organized wonderful teams of people (tracklayers, cross tracklayers, drivers). They coordinate with judges and tracklayers and prepare the schedule for plotting day and test day. They prepare all the flags prior to the tests, then clean, repair, and put in storage all the flags after the tests. They are the first to arrive onsite on plotting day and test day, and the last to leave.

Mary Palumbo has been Test Chair for several years. She performs a multitude of functions including securing the test site, securing judges, finding volunteers for fill many roles including hospitality. Much of what she does is behind the scenes, but vital to the success of the test.

Martha, Mary, and Thalia - Thank you for all you do!

Martha Ho, Thalia Rott, and Mary Palumbo
