## **Volunteer Spotlight**

Tracking events require many volunteers to be successful, and we treasure each one. Many volunteers help year after year, and we thank them all. This year we want to shine a spotlight on two of those volunteers.

Linda Hurlbut has filled many tracking related roles over the years, including test secretary. This year, as in many recent years, she is filling a vital role as a driver, shuttling tracklayers around CHHP.

Mary Sommer has also filled many tracking related roles over the years, including test secretary and tracklayer. This year, as she did last year and many times before, she is laying a TDX track.

*Linda and Mary - Thank you for all you do!*
